REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art fails to provide, teach or suggest the main body portion has an upper surface for supporting a plurality of protection modules thereon between the front cap and the front facing surface of the middle portion, the depth of the upper surface between the front cap and the front facing surface of the middle portion being dimensioned to be equal to or greater than the longitudinal length of the protection modules so that the protection modules, when supported on the upper surface of the main body portion, have no portion thereof overlying the plurality of slits formed in the front cap and so as not to interfere with the placement and removal of wires respectively into and from the plurality of slits.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tho D. Ta whose telephone number is (571) 272-2014. The examiner can normally be reached on M-F (8:00-5:30).
